

Support Caregivers, Build Healthy Families

Become a sponsor of the 4th Annual Proof Alliance Caregiver Conference

May 14 and 15, 2026 • Plymouth Community Center

You can play a meaningful role in this special event that brings together adoptive, biological, kinship and foster parents of individuals with a known or suspected fetal alcohol spectrum disorder (FASD). Alongside caregivers, living experience experts and professionals who support individuals on the FASD spectrum, we will explore the latest information, education and resources; share experiences and strengthen an FASD-informed community of support.

This is the largest gathering of its kind in the United States, drawing over 200 participants. Sponsors of this 2-day event will have the opportunity to connect with caregivers and community partners, support event activities and make a bold statement in solidarity with families impacted by FASD.

Your sponsorship helps ensure families have access to the community, tools, and knowledge they deserve. Thank you for considering this partnership.

Feedback from participants:

- *"Thank you for doing what you do. Honestly, you are life savers. So much information, love and hope."*
- *"I'm more than highly satisfied. I'm absolutely grateful. Much caring in the room, from ALL!"*
- *"I am just profoundly grateful to have Proof Alliance and the community. I am finding my people who get it. Thanks to you!"*
